Scholarship Application – 2022-2023**

The NANA Worley Scholarship Program has been organized under Section 29 of the Grant of Right of Way Agreement Lease for the operation of the Trans-Alaska Pipeline. The goal of the Scholarship Program is to provide financial aid to Alaska Native students, which will assist them in achieving their college educational goals and prepare them for jobs on the Trans Alaska Pipeline System (TAPS).

Number of Awards:

The number and amount of scholarships/grants awarded each year is dependent upon:

- The number of eligible applicants
- The quality of applications
- The availability of funds

Applicants Must Meet the Following Eligibility Requirements:

- Applicants must be of Alaska Native heritage and be able to provide acceptable documentation (see the checklist for specific documentation accepted).
- Drafting & Design - Have a high school diploma or equivalent. Be enrolled in a drafting certification program or enrolled in an associated technical degree program.
- Engineering – Must be enrolled in an engineering degree program and hold a 2.5 or higher GPA.
- Business/Finance – Must be enrolled in a business degree program and hold a 2.5 or higher GPA.
- Internships - Have a high school diploma or equivalent. Be enrolled in a drafting certification program, an associated technical degree program or enrolled in an engineering or Business degree program.
- Be enrolled in an accredited undergraduate or graduate program at a college or university, which will prepare candidates for a position on the Trans-Alaska Pipeline or AutoCAD/Drafting or related field.
- Be a full-time (12 credit hours or the number of credits the school requires for full-time status) student during the entire academic year to be eligible for the total scholarship amount offered.
- Scholarships are available for part time students and awards are pro-rated to the number of hours less than full time.

Award Criteria:

- The primary emphasis of NANA Worley Scholarship Program is to provide educational assistance and Internships to Alaska Native Students pursuing degrees in the Engineering, Design and Drafting fields which correspond to the services that NANA Worley provides Alyeska under contract. While applicants in other educational fields will be considered, preference is made towards the Engineering fields.
- All scholarships are awarded on a semester/term basis.
- Be enrolled as an undergraduate or graduate student pursuing a drafting certificate program or four year degree at an accredited institution and maintain at least a 2.5 GPA during the scholarship year.
- All scholarship award payments are issued in the college's name and sent to the financial aid office address stated on the awardee's application.

How to Apply:

If you are interested in applying for a scholarship, you must meet the above eligibility requirements and complete the attached application.

Application Deadline for Summer 2022 is June 5, 2022, Fall 2022 is August 14, 2022 and Spring is January 8, 2023 at 5:00PM (AKST). This is a firm deadline. No exceptions are allowed.

STUDENT INFORMATION RELEASE AND ATTESTATION FORM

Dear Student,

Alyeska Pipeline Service Company’s (APSC) Alaska Native Program has provided scholarship and/or internship funding to the following **Awarded Organization**: _NANA Worley Parsons, LLC_. This organization has been selected to distribute funding for training and educational opportunities strategically focused in Trans Alaska Pipeline System and oil industry professions. Through this **Awarded Organization**, it has been determined that you are eligible to receive APSC funding.

The **Awarded Organization** will administer the program funding and monitor your progress during the period in which the scholarship or internship funds are received. This release form will enable the **Awarded Organization** to provide information to APSC regarding your progress or other information as requested, such as a current resume with contact information that may be used for purposes of employment or other recruitment efforts.

A condition of receipt of APSC funding requires that you complete this *Student Information Release and Attestation Form* and submit it along with a current resume, and any other requested documentation, to the **Awarded Organization** named above.

STUDENT ATTESTATION

I, *Student Name*: _____ consent that the *Awarded Organization* named above may release information to APSC regarding my progress as a student, now and beyond the period of my scholarship award. This information may include, but is not limited to: **official grade transcripts, degree/certification program curriculum and completion dates, personal statements of career goals, and resume.**

I understand that if my **cumulative GPA falls below 2.5**, I will no longer be eligible for APSC program funding.

I understand that I can only receive a **maximum of \$7,500** of APSC program funding per academic year, which may include scholarship or internship funding received from multiple organizations distributing APSC funds, including the *Awarded Organization* named above.

I understand that release of this information and attestation is a condition for receipt of scholarship or internship funds. I acknowledge that failure to abide by these requirements will jeopardize potential future APSC funding.
